It was a Wonderful Day in the Neighborhood!

Here it is 2024. Happy New Year!! Seems like only yesterday it was Thanksgiving. Time flies when you're getting old. On the 1st of January there was a little get together in Welaka, Florida where several of our friends came to eat and have some fun. The annual "First Ride of the Year" to "Shrimp R Us" happened. Along with **Jeanette and myself**, I want to thank **Bob & Julie A'Hearn, Ed & Teresa Carr III, Gordon & Betty Currie, Jim Eschenberg, Gloria Harrington, RockNBob Ingenito** (winner of a \$100.00 50/50), **Phil Nagley and Belinda Bales, Bob & Sharon McNicol** (also a winner of \$100,00 50/50), **Howard Towne, and Chapter guests Irene Harrison, Fred & Rosalie Doerflein, Rance (Smitty) & Sandy Smith, John & Sharon from Deltona and Prospecting Members Bernie & Sue from Palatka**. Many thanks to a total of 25 Chapter FL1-K members and guests, for attending and supporting this First Eagle Wings Motorcycle Association event of 2024. The owner and staff of Shrimp R Us fed the everyone in attendance a great meal of a variety of cooked shrimp, fried chicken, potatoes, coleslaw, salad, hush puppies and several different kinds of desserts.

Eagle Wings Motorcycle Association President, Bob Shrader, VP of Member Benefits, Bill & Cheryl Smith and our new **District Directors Fred & Karen Kennedy, Assistant District Directors Harry & Lynn Anderson, Assistant District Director, Carl Williams, Assistant Safety/Rider Coordinator Claudia Vaga and District Treasurer Pat Van Lengen** were also in attendance. It was a wonderful day in the neighborhood.

Work is coming right along on the two Guided rides for the Florida District Rally on March 14th thru 16th, 2024. Both routes were mapped out with the assistance of **Chapter FL1-Y CD Kenney Kellam and FL1-Y Members Mike Ewing and Ralph Brigham**.

Happy New Year!

Welcome to 2024.

Florida District Rally tickets are still available for purchase. The cost is \$10 for a book of ten chances to win \$5,000, \$500, or \$250. The drawing will be held March 16th during the EWMA Florida District Rally in Gainesville. You **do not** need to be present to win. Julie and I will be there to bring home your winnings.

We will be attending the Florida District “First Ride of the Year” on January 1st. It will be held at “Shrimp R Us” Restaurant in Welaka.

The weather is predicted to be mainly sunny, except for a few afternoon clouds with a high of 68 degrees.

The attendance last year was great. There must have been over 200 vehicles in the parking lot...Gold Wings, Harleys, BMW's, Slingshots, cars, etc. The food was good and if you left hungry, it was your fault!

Thanks to all the members who assisted with the Chapter Christmas Party on the first Saturday of December. It was a nice evening and enjoyed by all.

The next day, Marcia Shad hosted the Chapter CPR Class. She and Julie instructed the class, while being evaluated by the FL Assistant Director First Aid-CPR Claudia Vega. Afterwards, most of us went to dinner at the Fly-In Café at the Spruce Creek Restaurant. Lots of Pizzas were consumed that night! Big thanks to Marcia, Julie, and Claudia for taking the time to certify those of us members in attendance.

Last month, Julie and I visited the “Neutral Zone Studios” located off exit 3 in Kingsland GA. The studio was the setting for the “Star Trek Continues” a web-based series which filmed the final year of the five-year

(Continued on page 4)

(Continued from page 3)

mission of the USS Enterprise. All the episodes can be watched on U-Tube.

Our tour guide, Vic Mignogna, was the actor who played Captain Kirk on the fan-based series. He really had some great stories about the creation of the sets, the co-stars, and what's been happening since.

Julie and I believe this tour would make a great Chapter ride for those interested in attending.

This year we have many travel plans and will be participating in most of our Region A rallies. Our travel schedule includes:

February 8 th – 18 th :	Princess Cruise to Panama Canal
March 14 th – 16 th :	FL District Rally, Gainesville
April 25 th – 27 th :	TN District Rally, Johnson City
May 17 th – 19 th :	SC District Rally, Newberry
June 13 th – 19 th :	Fantasy RV Tour Black Hills & Badlands, Base in Rapid City SD. Will miss the GA / Region A Ride-In
June 21 st – 22 nd :	EWMA International Ride-In, Loveland CO
June 23 rd – thru July 4 th :	Colorado Springs family visit. Will miss Alabama Rally
August 29 th – 31 st :	EWMA International Rally, Green Bay, WI
September 20 th – 21 st :	NC District Rally, location TBD
October 24 th – 26 th :	MS District Rally, Biloxi

Our travel dates will change slightly depending on how long it will take us to arrive at the listed destinations. Our normal mode of transportation is our Nexus RV, towing our Gold Wing Trike.

Looking forward to all our trips, and the new friends and family we will be making along the way.

2 ½ MONTHS TO the FLORIDA RALLY ARE READY?

Best Western Gateway Grand
4200 NW 97th Blvd., Gainesville, FL

Ed and I have enjoyed our two stays at this facility while helping plan the layout for the March event and to ride the 2 routes planned for the Friday and Saturday Guided Rides. **MANY THANKS** to FL1-Y Gainesville **CD Kenny Kellum** and his members, **Mike Euwing** and **Ralph Brigham**, who planned the routes. We are very excited to have new areas for the guided rides and there are also many sites to visit in this area.

The lobby flows into the breakfast area which is available the rest of the day for members to hang out and socialize. It is filled with light and a view of the pool area. The second-floor balcony is the perfect space to display chapter banners. Our banner is ready to go! Rooms have been comfortable, check out the hotel web site for pictures. The vendor and stage/dinner areas are located in the south section. The far south end of the facility is the Gators Den Sports Grill for lunch and dinner. This facility is used for many Florida Gator events and for the teams that visit for games. There are also several restaurants at this interstate exchange as well as more one exit south along with the mall. There is plenty to do in the area, but the rally will have more than enough activities to keep you busy.

HAVE YOU MADE YOUR RESERVATIONS?

ON-SITE IS THE BEST WAY TO RELAX & ENJOY THE EVENT.

(Continued on page 6)

(Continued from page 5)

Yes, that is a Harley Dealership. It is located just across the street. They are helping sponsor our event and are excited for us to visit and "check them out".

I'm responsible for the game room again this year and have been busy looking for prizes. (Ed helps but spends his mornings leading the guided rides.) Saturday is the official day for Chapter K to help, but there are often other times I need help when there are not enough other chapter volunteers. Helping is a great way to visit with friends and make new acquaintances.

RIDING IN THE COLD

Depending on where you live in Florida and what type of “Cold Front” you are experiencing that day will determine whether or not you are going to ride. If you are going to ride here are a few things to consider for your safety. Let’s first look at the physical effects to your body when it is cold. Your reaction movements are slowed down due to your muscles and joints being colder and your finger movement being restricted due to possibly arthritis or just by thicker gloves. If your body temperature gets too cold this can also slow your thinking process which will slow down your reaction time.

What can we do to keep warm? The obvious answer is to dress appropriately to cut down on the “Wind Chill Factor”. “Wind Chill Factor” is the cold wind passing by your body and lowering your body temperature with air temperature lower than the actual outside air temperature. I have included a “Wind Chill Factor Chart” to this article. As you look at the Chart you will see on the Left Side the “Speed of the Wind”. When you are riding a motorcycle “You” are the “Speed of the Wind” added to any existing “Head Wind Speed”. For illustration purposes let’s look at the Left Side of the Chart at a Wind Speed of 55mph. That represents you traveling at 55mph creating your own Wind Speed. Now let’s look at the Top of the Chart at go down to 45 degrees. (A temperature that could easily be happening on a cold Florida morning.) The Chart shows that the “Wind Chill” temperature would be 32 degrees. 32 degrees is a freezing temperature on you although the actual outside temperature is only 45 degrees.

Dressing appropriately means knowing what to wear and what works. “Thermal Underwear” is a big help. “Electric Underwear” is even better. Electric Underwear plugs into your motorcycle and has a dial controlled thermostat to regulate the temperature like a heating blanket. Electric Underwear pieces include: socks, pant liner, jacket liner and gloves. You must wear appropriate outerwear to block cold air from penetrating through your cloths to keep the warmth in.

The design of your motorcycle can also serve to help keep the cold wind off of you. A windshield, upper and lower fairing, and wind deflectors can help keep you warm. If you do not have a lower fairing, “Chaps” can help keep the cold wind directly off of your legs. A rain suit can also be utilized to cut down on the cold wind passing through your motorcycle clothing. A thin rain jacket can be worn under your motorcycle jacket and rain pants can be worn over your motorcycle pants to cut down on the cold air passing through your clothing.

The cold weather is here. Prepare to properly deal with it to keep yourself warm and alert.

We are here to assist you in safe riding,

Dominick & Diane

FL1-K COMMUNITY SERVICE PROJECT

By Marcia Shad

Many people (as I do) receive new Christmas cards from different organizations starting in early August. My family traditionally sends a photo Christmas card & thus do not use the ones mailed to us.

I would like to collect Christmas cards throughout the year as well as traditional birthday, get well cards, etc. if you do not use them. I will gladly collect them at any time we are together and will donate them to several long-term care centers & nursing homes in the area. The residents enjoy having cards to send to their “friends” in the same facility.

I feel this would be a good will gesture for our EWMA Chapter. I have done this in the past & I was well-received by the facilities.

Thank you.

If you have any torn, tattered, or discolored flags of any size, please give them to me. I will gladly have them disposed of properly, DO NOT put into trash.

Thank you.

On The Lighter Side

After turning 60 our brains are slower because we know so much. It takes a while to recall something from that giant storage house of information.

Before you assume, LEARN THE FACTS. Before you judge, UNDERSTAND WHY. Before you hurt, FEEL. Before you speak, THINK.

Being negative only makes a journey more difficult, You may be given a cactus, but you don't have to sit on it.

Stressed spelled backwards is desserts, so when you are stressed. Eat ice cream, chocolate, cake and sweets!

I don't know if any of you can relate to this, but I sure can. You think you can hurt my feelings. I used to hold the flash light for my Dad.

I like to make list...I also like to leave them lying on the kitchen counter and then guess what's on the list while at the store.

Common as cornbread, old as dirt, funny as all get-out—here are some homespun expressions linked to our rural and agricultural past.

Acceptable: It's better than a poke in the eye with a sharp stick.

That's close enough for government work.

Might as well. Can't dance, never could sing, and it's too wet to plow.

I could sit still for that.

You can't beat that with a stick.

Boastful: He can strut sitting down.

He's all hat and no cattle..

Dishonest: He's on a first-name basis with the bottom of the deck.

So crooked that if he swallowed a nail he'd spit up a corkscrew.

So crooked you can't tell from his tracks if he's coming or going.

He knows more ways to take your money than a roomful of lawyers.

Crooked as a dog's hind leg.

Crooked as the Brazos.

Slicker than a slop jar.

More twists than a pretzel factory.

Crooked as a barrel of fish hooks.

So crooked he has to unscrew his britches at night.

She's more slippery than a pocketful of pudding.

He's slicker than a boiled onion.

I wouldn't trust him any farther than I can throw him.
